

GEORGE BUSH

July 28, 2006

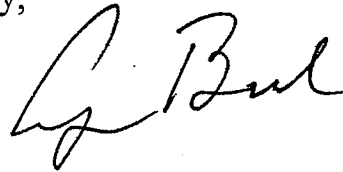

Dear Craig,

I am pleased that you continue to move forward with your 20/20 Inner Vision Foundation. Since you began taking your message of PRIDE – Perseverance, Respect, Individuality, Desire, Enthusiasm – to high school students nearly two decades ago, you have changed countless lives and brought hope to thousands. Your commitment to providing guidance and educational opportunities to the youth of our country is an inspiration to all Americans, and I salute you for your dedication and your selflessness.

Keep up the great work, Craig. You are a true “Point of Light,” and you exemplify what is best about our country – serving others.

Barbara joins me in sending warmest personal regards.

Sincerely,
